MISSION

We aim to support our clients through every step of their real estate journey.

From guiding them in buying and selling property, converting their homes into the go-to short-term holiday rental, designing a luxurious home for them to live in, to handling every aspect of their property and building needs. Reinhardt is more than ready to provide our clients everything they need!

OUR **PHILOSOPHY**

At Reinhardt, we embrace and define six pillars of success and growth.

Our Honeycomb-shaped logo with its 6-pointed hexagonal shape is an embodiment of all values and company pillars.

We believe in hard work, dedication, and providing the highest quality of services for the ultimate goal of customer satisfaction.

We are dedicated to constant growth in our endeavor to build a community of real estate professionals, product offerings, relationships, and partner networks that work in harmony towards common goals of growth, service, excellence, and success.

Vision

We strive towards a common organizational objective that is geared towards providing the highest level of customer service and achieving excellent business outcomes while doing so.

People and culture

We believe in diversity and respect and we aim to make our employees' time with us fulfilling and purposeful.

Practices and values

We provide the highest level of customer service with full transparency and integrity every step of the way.

Experience and expertise

Our team of professionals are experts in their own rights in their roles at Key One Group. We continuously learn from the market, empower ourselves with new information, trends, and knowledge to provide our customers the most accurate and timely information they will need in their real estate journey.

Goals and benchmarks

We have internal and external benchmarks and goals towards the achievement of customer satisfaction and business outcomes.

Sustainability and innovation

We believe in incorporating new and innovative product offerings, techniques, and ideas to ensure that our products and services are competitive and beneficial to the customers and the company. We believe in sustainable growth and development, not only for the benefit of the company but also for our people and environment.

AMJAD HUSSAIN

CHIEF EXECUTIVE OFFICER
15+ YEARS OF REAL ESTATE EXPERIENCE

I always have a clear vision for the company growth and success, with the ability to inspire and motivate others to work towards that vision. I am able to articulate a compelling direction for the company and align the team around common goals. I have a deep understanding of the real estate industry, market trends, and economic factors that impact the business. I always adapt at analyzing data, making informed decisions, and identifying strategic opportunities to drive growth and profitability. I believe that my communication should be very effective to convey my vision, goals, and expectations to employees, clients, partners, and stakeholders. I am able to articulate ideas clearly, listen actively, and foster open dialogue within the organization. I always think strategically and have the ability to anticipate future trends and challenges in the real estate industry. I'm able to develop and execute long-term business strategies that position the company for sustainable growth and competitive advantage. Leading a real estate company requires resilience in the face of challenges and the ability to adapt to changing market conditions. I always demonstrate the capacity to overcome obstacles, embrace change, and pivot strategies when necessary. Integrity and ethical conduct are very essential for me. I prefer to prioritize transparency, honesty, and accountability in all business dealings. I believe in building trust and maintaining strong relationships with clients, partners, and stakeholders is crucial for long-term success. I empower and support my team members to foster a positive work environment where individuals can grow, develop their skills, and contribute to the company's success. I prefer to provide guidance, mentorship, and opportunities for professional growth. I think to make tough decisions in a timely manner. I try to polish my ability to gather relevant information, analyze options, and make informed choices, even in high-pressure situations. I always proof myself in every challenging situation with the best results and I'm very proud of myself. I have a strong understanding of financial management principles and able to oversee budgeting, financial planning, and resource allocation to ensure the company's financial health and sustainability. I have a genuine passion for the real estate industry.

REAL ESTATE **BROKERAGE**

WHY US?

Whether you are a new buyer or a seasoned investor, we will provide you with the highest level of service that relates to your specific needs. Real-life experiences teamed with extensive corporate marketing backgrounds have collectively contributed to developing our team of strategic, informed, and savvy real estate professionals – both on the buying and selling side.

Our team has a thorough understanding of the appropriate steps and considerations required when purchasing or selling residential, recreational, or investment property, thus ensuring that the service we provide to you focuses on your specific circumstances.

Our mandate is not to make a sale; it is to ensure that you, as the client, feel that you have had the most successful outcome. It is upon that which we measure our success.
